

ATTORNEY ENDORSEMENTS

Robert Ault, DUI and DWI Attorney

I have referred traffic ticket matters to a few different attorneys over the years. However, since 2010, I have referred solely to Mr. Sheehan. This is because I know that Mike takes care of every one of his clients. I believe he is, without question, the best traffic ticket attorney in the state and I don't believe one puts themselves in a better position to fight a ticket than they do with Mike. I have referred several clients, family members, and friends to Mike Sheehan and have never heard anything but glowing reviews.

Mark Rosencrantz, Litigation Attorney

I highly endorse Mike. I have been completely satisfied as Mike's client more than once. I have also referred him numerous clients over the years. Every person I have ever sent has been incredibly pleased. There is no one better in this region for speeding and traffic matters.

Mitchell Greene, Speeding and traffic ticket Attorney

I endorse Michael Sheehan! I have known Michael for many years and he is diligent and caring in his defense of his clients. He prepares his cases well and insures that his clients have the best representation. He is hard working and respected by judges and prosecutor's alike.

Matthew Russell, Personal injury Attorney

Michael fights hard for his clients with a knowledge, professionalism and civility that makes him highly respected by Judges and prosecutors alike - and loved by his clients. I do not hesitate to refer family and friends to Mike with their traffic needs.

Nathaniel Taylor, Tax Attorney

I've personally used Michael several times with successful results, and everyone I've referred to him has also been very happy with his work. He's professional, responsive, very knowledgeable, and has a very good track record.

Jeffrey Veitch, DUI and DWI Attorney

Michael is an exceptional traffic-law attorney and I always refer my friends and clients with confidence. I am very pleased and honored to endorse Michael.

Jamila Taylor, Personal injury Attorney

I can say without reservation that Michael is a true professional and a wonderful person. I have known Michael for many years. In years past while working as a prosecutor I have opposed him in infraction hearings. Since that time we have become friends and most recently Michael handled an infraction for me. I should say Michael successfully handled an infraction for me, since he got it dismissed without requiring much input from me. I strongly endorse Michael Sheehan.

W Phipps, Speeding and traffic ticket Attorney

Mike is an incredible attorney. Hard-working, and extremely knowledgeable regarding infraction defense. He is well-known and respected in the legal community. Mike is a tireless advocate for all of his clients. I strongly recommend and endorse Michael Sheehan.

Rodney Umberger, Litigation Attorney

I endorse this lawyer's work. Mike Sheehan is a bright guy and a very good lawyer. He is efficient and takes a practical approach to cases, and his trial skills are impressive.

Howard Jensen, Environmental and Natural Resources Attorney

Mike has handled multiple speeding tickets for me and my friends. He has consistently delivered fantastic results. In almost every instance he was able to secure dismissal of the ticket. I know that he cannot guarantee this result for anyone, but he has proven that he knows this area of the law extremely well. He also knows all the workings of the court system, which pays off handsomely. Just as important as the results is Mike's professional handling of a case from the moment it comes in the door. He immediately removes any worry you may have about the process and you are left with confidence that the matter will be handled as well as possible. I recommend Mike wholeheartedly and will continue to send my business and that of my friends to him.

Jason Newcombe, Criminal Defense Attorney

Michael Sheehan is one of Washington State's top speeding and traffic ticket attorneys. Simply put, the man gets results. No experienced traffic lawyer can ever guarantee any outcome. Michael, however, consistently gets most of his tickets dismissed, and he works extremely hard to keep any moving violation off your record. If you have a Washington state speeding or traffic ticket, look no further. He's your man. I have personally worked with Michael on a number of traffic cases. His knowledge and expertise with regard to Washington's speeding and traffic laws are second to none. It would be impossible for me to recommend him any more highly. On a scale of 10 to 10 he's a 10.
